Price : 184 € per night for the double room, without breakfast (12€ per day).

Other possibility : 144 € per night for the single room, without breakfast. It is smaller but more affordable.

We went for a tour of the rooms in this hotel. The hotel and the rooms are clean and mix old and new. The rooms are not very large but suitable for a short stay in Paris. The good thing is that it is an artist hotel, for example we particularly remember the piano at the entrance of the hotel.
